Michele DeSmet will be leaving our Board this year due to term limits. She has been an invaluable Board member, serving as President for 2 years and Vice President. She is steady and supportive not only to the Clinic but to me personally. Thank you Michele for all your years of service. Michele's board position will be filled by Derek Allen.

Mother Ann Schnaare had to leave our Board this summer due to a transfer to Grand Rapids. She brought a unique perspective to our Board and we miss her. Fortunately for us Darlene Neidlinger was willing to step into her seat.

FOUNTAIN CLINIC

2022 Annual Report

Happy New Year! Every year I send out an annual report to recap the previous year and also to set the stage for the coming year. In May we celebrated our 30 year anniversary as a Clinic, something none of us in the beginning would have thought possible. In 2022 we provided services to 762 individual patients for a total of 2,200 visits. We continued to do COVID boosters throughout the year and provide masks and test kits (thanks to the Calhoun County Health Department) for our community. We brought back our first Friday of the month blood pressure checks which is open to anyone and provided flu shots for our patients and the community.

Fundraising this year was a little different. We added a summer craft show at the fairgrounds during the Antique Car Show in July and we became the official BINGO providers at the Calhoun County Fair, which by the way was a lot of fun. In addition, we had our Night at the Louvre picnic, the Reuben Run and Keep Calhoun County Smiling. June through October needless to say was extremely busy. Our financial position remains stable despite the markets thanks to the generosity of so many donors and the success of these fundraisers, for that we are so grateful.

As we look forward to 2023, I have set (2) goals:

- 1) Partnering with a Mental Health Organization to provide monthly mental health services at the Clinic.
- 2) Increase the visibility of the Fountain Clinic throughout the county.

Wishing you a safe and healthy New Year

~Mary Jo

The Fountain Clinic remains the fiduciary for Calhoun County Senior Millage Prescription and Dental Programs. If you are over 60 years old and need assistance with your prescriptions or dental care, please call The Fountain Clinic at (269) 781-0952 to see if you qualify.

Sadly, Dr. Robert Heidenreich passed away this year. Dr. Bob made dentures for our senior millage patients for many years. Our patients were always so pleased with his work. He was so supportive of this Clinic. He will be dearly missed.

This year we sadly had to say good-bye to so many good friends, please see the above memorials. Two of those friends however were so dedicated to this Clinic. Tom Franke, the man behind our Louvre fundraiser both with ideas and his beautiful Oak Hill. And Richard "Dick" Brown who was always at Oak Hill helping us set up, putting down mosquito repellent and doing the million and one tasks needed to ensure a successful event. They both are so missed.
