Sadly since the first of the year we have lost two wonderful friends of the Clinic. Cathy Galloway and Linda Brown Cleavinger (our nurse with a bun). Both were so devoted to our Clinic and it's patients. Cathy doing countless fundraisers particularly the Louvre and her pet fundraiser [February by Candlelight](#) and Linda with her devoted and compassionate care for all her patients. May they both Rest In Peace.

FOUNTAIN CLINIC

## 2024 Annual Report

Dear Friends of the Fountain Clinic

Once again we are presenting our Annual Report so you can get an idea of what we have done this past year at the Fountain Clinic. This is our 33rd year as a free medical and dental clinic. There were a few times during those years I thought we might have to close our doors but due to the generosity of this community we are still here and helping those folks that have medical and dental needs.

2024 was a good year for our clinic. We attended several community events at which we provided blood pressure screenings and toothbrushes. Some of the events we attended were the Calhoun County Fair, Harrington Elementary Back to School night, The Senior Health Fair in Battle Creek and Tekonsha and the City of Marshall's Health Fair. Our fundraising efforts were very successful in 2024 with great turnouts and support. To end our year we were given an amazing gift from the Southwest Rehab Foundation. The Foundation decided to dissolve and gifted the Clinic with much of their remaining funds. These funds will ensure that we can serve the low income uninsured for many years to come.

You will see some changes in this 2024 Annual Report. Instead of just showing you our numbers in the dashboard, I am including the monetary value of those visits. These numbers reflect the financial impact of the Clinic and the money we save our patients.

Finally I would like to wish all of you a healthy New Year and thank all of you for your continued and generous support.

Sincerely,  
Mary Jo
