## 2025 Annual Report

Dear Friends of the Fountain Clinic

As our Clinic enters its 34<sup>th</sup> year I would like to recap 2025 for all of you who have been so supportive of us over the last 34 years. And by the way, thank you, thank you for that support.

In 2025 we received funds from Southwest Rehab Foundation that stabilized our financial status. After many years of helping folks with disabilities, the Southwest Rehab Foundation decided to dissolve and disperse their remaining funds. We were the major recipient of those funds.

In 2025 we saw an increase in our patient visits. We had over 3000 patient encounters which included our medical and dental office visits, virtual mental health appointments in collaboration with Starr Commonwealth and blood pressures taken at 4 health fairs.

We collaborated with Oaklawn Hospital and Hemmingsen Drug Store on World Diabetes Day to provide A1c testing, blood sugar testing, foot exams and vaccines.

We had four very successful fundraisers: Night at the Louvre, BINGO at the Fair, Keep Calhoun County Smiling and the Pastrami Joe's Give S'more Shuffle.

It has indeed been a busy year for all of us. We anticipate that will continue especially if the subsidies for insurance through the marketplace are not reinstated. We will do all we can to provide care to those in our community who need us.

Wishing all of you a joyful and above all a healthy New Year!

Sincerely,  
Mary Jo

We have lost many friends of the Clinic in 2025, including Dr. Frank Burris. Frank owned the building we are now in and made it possible for the Fountain Clinic to buy it. RIP dear man. Your generosity has helped so many.
